Vegan Emergency Pantry — Costco List

Shelf-stable vegan items from Costco, with real product photos. Each date shows the typical best-by time from the purchase date. The printed date on each package controls. Costco stock changes by warehouse and by month.

Rules: Store all items in a cool, dry, dark place. Do not eat food from a can with a bulge, a leak, or deep rust. Eat short-life items first, and put new items at the back. Keep-on-hand amounts cover 4 people for 14 days.
